Thanks to everyone who so beautifully decorated St. John's for the Easter Celebrations.

Kenn Christian Aid Week 2015

By now I will have contacted my faithful collectors, now just asking if there is anyone else who would collect a few envelopes in Christian Aid Week Sunday 10th May - Saturday 16th May.

The more the merrier, easier and quicker.

Thank you

Julia Bush

Simnel Cake Profits

Thanks to the doughty souls who munched their way through this year's Simnel Cakes, and a kind donation, I was able to send £100 to Mr Denis A Blay (son of the late Mr Emmanuel Blay), in Kumasi, Ghana. I have asked that the money be spent on school fees for Mr E Blay's grandchildren (no free education in Ghana).

Thanks again

Julia Bush

Our Flag

We flew our flag this month on:

5th April - Easter Day

10th April for the birth of Reggie, a son to Shoni and Lee Flack and grandson to Valerie and Ivor Cox and for the birth of Arthur William Woods a son to Philip and Hazel Woods and grandson for Jean and Ben Woods.

The St George's flag was flown on April 23rd to mark St George's day.

Good Friday at St John's

This year, Warren wrote our Good Friday Meditation.

It was a contemplative time of readings, quiet hymns, Taize music and silences.

A dignified start to a reflective day for Christians.

As the adults left the church, they found Polly and Drew, Tom, Sam and Ella, and Hazel's cat, constructing the Easter Garden. The children's knowledge of the Passion Narrative far outstripped mine. Soon the garden was full of characters, natural decorations and some lovely scoured glass, picked up from the seashore. Thank you everyone who helped.

Easter Sunday

Our 11.00am Family Communion Service (with a picture of Kenn Church on the cover) had been prepared by Avril who was officiating at Kingston Seymour .

The Church was a joy to behold, beautifully decorated with mainly yellow and white flowers, with chicks and eggs and lilies - superb. Thank you to everyone for their artistic efforts.

The Easter Garden was decorated with joyous colours and the tomb was empty. Thanks go to the youngsters and Julia for preparing this.

Our church was almost full, well 42 of us, with folk of all ages; from nonagenarians Doreen and Cliff to babies Alice Roberts and James Mackay.

Our thanks go to Warren for what was a truly uplifting celebration of the resurrection of our Lord. Alleluia!

Thanks to Warren and Diana who provided Easter Eggs for everyone.

John Ball

Sunday 12th April - 11.00am Holy Communion.

A large congregation welcomed the Revd Linda Scott to this her first service at St. John the Evangelist, Kenn. Her clear, positive, message was greatly appreciated by all present.

Linda explained the different ways in which Jesus comes along side people. After the resurrection he called Mary by name; invited Thomas to touch him,

He reassured the distressed disciples with the words 'Peace be with you'; with Peter, following his denial, he asked three times, 'do you love me?' then 'Feed my sheep' and he walked alongside the couple mourning His death on the road to Emmaus, talking with them until they knew him.

Thank you Linda.

7th JUNE 2015 at the Village Hall

Preparations are gathering pace!

Everybody who lives in the village will have either received their personal invitation or will get it very soon.

The BIG LUNCH is entirely open to all who want to come, it is a village party not a private event. Do feel free to bring friends and family.

CHILDREN (primary school and younger) ARE FREE.

All the proceeds from the tickets will go to charities. The question is which ones? Please let me know your suggestions in the next couple of weeks and we will give the money to the most popular.

Preferably a local charity and an international one would be ideal.

Contact us on email: mackayagents@aol.com or phone us.

Scarecrow Competition

To be judged at the BIG LUNCH (7th June) scarecrows should be decorated on a theme of either Food or International or a combination of the two!

So get your creative hats on and let us see some really original scarecrows.

KENN W.I.

The April meeting started by trying something different to improve our singing of Jerusalem which failed miserably.

Thinking caps on again.

There was a good turnout for our speaker Gina Merritt-Smith. Visitors included residents of Kenn and some members from Tickenham W.I.

Our speaker Gina, spoke to us about the Elegance of Fashion, in particular Charles Worth, known most probably more for his perfume than fashion. Charles Worth was a distant relative of Gina's.

She took us back in time to the when he left the UK for Paris. The founding of the House of Worth in 1858, with its bustles and 18 inch waists right through to its closure in 1956. The brand was revived in 1999 and is now part of the Shaneel Group.

Our visit to Worle Magistrates court was a great success.

It did make us feel sorry for some people who had done what they did to get help or found themselves in a lose/lose situation. It also showed that the supermarkets do not tolerate theft, whatever the amount. A £1.50 packet of sweets ends up costing £100.00!

We are off to the Yeo Valley group meeting at the end of the month. Last time we won the competition with Edna's icing lady with seven veils. She has done us proud again with an inedible bar of chocolate made from foam.

Following the success of last year's village treasurer hunt, providing the weather is kind to us, we will be having another one for our May meeting. This will be followed by homemade cake and tea.

If you fancy a gentle stroll, you are very welcome to join us. We will be leaving the village hall around 14.45.

Down on the Farm - May

We'd like to start this month's farming notes with a couple of old country sayings about the month of May:

"Never cast a clout until May is out"

Since at least the early 15th century 'clout' has been used to mean a fragment of clothing and was spelt as clowt, clowte, cloot, or clute. It's here that the saying took on two meanings. The new meaning was a reminder not to cast off the warmer winter clothes before the cool days of May were over.

That being said, English farm workers working the fields in their winter clothes throughout May could suffer from heat exhaustion if they kept all their winter layers on until the end of the month! The flowering of the Hawthorne (May) tree was a more reliable guide to the state of the weather and provided the original meaning.

"A hot May makes a fat churchyard"

A proverb about the dire consequences of a May without the rain to bring forth good crops; when they were wholly weather dependent in days gone by.

Some lovely weather in March and April has made the lambing easy. Most of the Hill Sheep lamb in April / early May.

All they ask for is good weather and so far it has been brilliant; even the weak lambs will live in this weather. It has also been great weather for working the land, especially the heavy land that takes a long time to dry out.

The first foals were born this week and are looking good so far. The lamb trade has unexpectedly fallen. At this time of year it's traditionally at its highest but because we had a good lambing last April / May and the hill ewes have saved most of their lambs, there are a lot of last year's lambs bringing a surplus to the market. So much so that at Sedgemoor Livestock Market they had to turn away

hundreds of sheep as there was no room. No pens left!

The swallows came back last week, a little late, and have nested already. Lovely to hear them singing, the sound of summer!

Bird News

April 2015 will be noted for the dearth of Swallows. There are very few as I write (24th) and no big numbers have been reported from migration watchpoints or the reservoirs. I have only seen one House Martin so far and that at Brean Down. Let's hope that it is just a matter of delayed arrival and that good numbers of these birds have reached us by the time that you read this.

On a more positive note, John Croxton heard a Cuckoo at the sea wall on the 21st, quite an early date, and he saw a dozen Wheatears, a Whinchat and a group of Whimbrel there on the same day.

Hartley Staples has seen a Goldcrest in his garden; this species is doing well after a few milder winters and favours gardens with conifers in them or nearby. There are several in Yatton, in areas where there are conifer trees.

Summer visitors are returning slowly to the Strawberry Line with lots of Black-caps singing now, a few Willow Warblers (these will move on), and just the odd Sedge Warbler and Reed Warbler so far. I recorded the first Whitethroat today but am still waiting for Lesser Whitethroat to arrive. The resident Cetti's Warblers are making themselves heard as they sort out their breeding territories.

A Short Eared Owl has been seen on a few evenings around the Dowlais Farm conservation area south of Clevedon and in the skies Ospreys and Red Kites have been reported. You have to be in the right place at the right time and looking up to see them though.

May should bring Swifts and, just maybe, a few more Cuckoos visiting us as well.

KENN PARISH COUNCIL

Chairman's Chat

Hello, this is my last chat as Chair for this term of office.

We shall see who follows me, Our last meeting is April 27th and new officers are elected at the first meeting after May 7th.

It has been a difficult and challenging term, and I have striven to do my very best. I was going to stand down and not re-apply this time but I thank the folk who came forward and asked me to reconsider and stand again, their vote of confidence in me and support changed my decision, it was of paramount importance to me to feel that our work was appreciated and we had done a good job, so important, in any job.

The existing members of the Parish Council, were all nominated and all stood for re-election as Parish Councillors for the next term. We will all be returning for another term. No-one else came forward to stand so there will not be an election.

Some folk in the village have been wanting change and elections etc, but none came forward themselves, hence no election, but this seems to be a common thing in some smaller parishes, Kingston is like ourselves but with a greater shortfall in Councillors.

We shall continue to do our very best for the Village, and welcome all villagers to our meetings.

Cheers

Sheila

Nick is a volunteer puppy parent for Canine Partners.

Canine Partners are in need of more 'puppy parents' for trainee assistance dogs.

Canine Partners are actively seeking more puppy parents in the Somerset area to train puppies from between eight weeks old and 14 months to become canine partners, assistance dogs for people with physical disabilities.

Would you like to help transform the life of someone with a disability? They are looking for more people willing to take on the early training of a puppy that will one day do something amazing. The Somerset Canine Partners puppy training satellite is looking for volunteer puppy parents, who need to be able to attend weekly puppy classes. Reasonable travel expenses will be covered and puppy food, toys, equipment, all veterinary costs and training is provided.

For further information on becoming a puppy parent email Heather Loan at somerset@caninepartners.org.uk call her on 07826232727 or visit caninepartners.org.uk/somerset.
