

Trevor's friend 'Higgy' writes that early in October he had a walk along Lillypool Drove on Kenn Moor morning and it was extremely busy with birds! The drove is bordered with 'berry laden' bushes that are full of birds.

Many thanks to Higgy for the photograph of a thrush.

CARING AT CHRISTMAS 2016

Now in its 29th year of providing support and accommodation for homeless people in Bristol during the Christmas period CARING AT CHRISTMAS is facing unprecedented demand.

The number of people sleeping rough in Bristol has almost doubled since 2014.

They are aiming to provide 50 beds a night, hot showers, companionship, fun activities and lots of hot meals. The target is to reach 500 homeless and vulnerable people over the festive period.

WE in Kenn have a proud tradition of generously helping this deserving Charity.

We need donations please of suitable clothing such as new underwear and socks, waterproof and warm outer clothing in good condition, food including dried fruit (they need 200Kg), toiletries (shampoo/shower gel), toothpaste and toothbrushes.

On top of this donations of money are gratefully accepted (Cheques made payable to "Caring at Christmas").

Please put any donations of clothing, food etc (except money) in the Church Porch or Church Room before 16th December.

Simon Pascoe has offered to take everything to Bristol probably in the week commencing 19th December.

Money donations should be given to Robin or Marianna at Church Path Cottage before 10th December AT THE LATEST please or to Simon and Julia Bush if later.

Last year the shelter cost £71,000 to run and it will be more this year due to the increased demand, so please be generous and give what you can to help people who are struggling to cope with life to enjoy Christmas.

AUTUMN BY CANDLELIGHT

This year we welcome back "RENEWAL", the Bristol based Gospel choir, who were such a hit at last year's event.

It was wonderful to see so many people in St John's Church swaying and clapping along with the music.

The group generate an extraordinary amount of energy and passion in their singing, taking the entire audience with them.

We will also be serving "bubbly" and canapés which proved extremely popular, as well as delicious.

So come along for an entertaining evening at St John's Church, Kenn on Friday 4th November at 7pm for 7.30pm start.

Tickets at £10 from:

Marianna and Robin,
Caroline & John,
John and Margaret,
John & Grace.

Heaven Preserve Us

Thanks to a donated 'Bucket of Blackcurrants' from a Kenn fruit grower, I have been able to make a limited edition batch of Blackcurrant jam. Delicious on toast or scones.

As a child I also remember a teaspoonful in a mug of hot water, as a cheering hot drink in the winter, enjoyed righteously in the knowledge that it constitutes your daily dose of Vitamin C.

Advance notice, I shall be making Christmas packs of three preserves for the St Mary's Christmas Fair.

If you would like to order any particular selection please contact me on 01275 873554.

Thanks, Julia Bush

Coffee morning on Saturday 23rd October 2016

Raising funds for the [Alzheimer's Society](#).

When we do it in Kenn we do it good. The October coffee morning, in the hall, was no exception. People were so kind and generous. Many villagers came and enjoyed coffee, cake and chatting to friends and neighbours.

Many thanks also to those who could not come and left a donation. Emma made the most delicious chocolate cookies. Mary, Iris, and Julia baked cakes.

Together we raised £321 pounds.

I have sent a cheque for this amount to [Alzheimer's Society](#).

Caroline.

Kenn Village Market & Coffee Morning

Thank you for supporting the market in October, it was good to see so many people.

Delicious refreshments were provided by Mary Burridge and her friends Sarah and Sheila to raise funds for Cystic Fibrosis Comfort Fund.

Thank you for your generous donations, I am delighted to report that £120 was raised, this money will go to support those living with cystic fibrosis in the greater Bristol and Bath area.

Our next market is on 12th November from 10am to 12 noon, if you would like to have a table at our next market or raise some funds for a charity by providing refreshments please contact Lyn (870189) or Maggie (876277)

Children's Christmas Colouring Competition for children and grand-children of the residents of Kenn - Mary Ashton has produced a Christmas Tree template - available at Coffee Mornings, Village Markets and the Church Porch - pick some up and set the children to colour in - please return to Mary at the December Village Market - details of prize winners next year

Book Group

We met on the 17th October 2016 to discuss 'Coffin Road' by Peter May. This is a crime thriller set in The Outer Hebrides.

We all agreed this was a ripping good yarn with an intricate plot. Gradually piecing together the main protagonists memory loss. We also liked the wild and bleak literary journey to the Scottish Isles. We also debated some factual inaccuracy in the ecological argument within the text.

Next up we are going to read 'Holding' by Graham Norton. (I know, we are so eclectic.) This is Norton's debut novel and we thought we would give it a try.

We will gather on Monday 21st November 2016 at The Drum.
Start time is usually 8.00'ish.

Caroline.

KENN W.I.

At the October meeting of the Kenn W.I. we welcomed back Jinx Newley to hear the second half of the talk that she had given us last year. Jinx talks about the early history of the old City of Bristol and the traces of the monastic establishments that remain to this day.

Bristol was particularly blessed with such buildings and Jinx had so much to tell us and such interesting slides that she still did not manage to impart all that she wanted to. She was an interesting and fluent speaker and we all enjoyed her talk very much indeed.

Invitations have been issued to our fellow Institutes in the Yeo Valley Group for our Flower Demonstration evening which is to be held on 23rd November.

Jo Cheek is the demonstrator this year and we look forward to seeing as many people as possible. The cost is £6 to include tea and biscuits and money can be paid at the door. An added bonus is that Jo's arrangements will be included in the draw, so you may get to take home a beautiful floral arrangement.

The Yeo Valley Group Carol Service will be held at St. Mary's, Yatton on Thursday 15th December and it is an occasion we all enjoy.

Yatton W.I. are the hostess institute this year.

October is Birthday month for us and we shall have been in existence for 64 years this year. We will be celebrating with a lovely lunch at the Greedy Goose, Flax Bourton, on Wednesday 26th October.

In November we will be holding our AGM which takes a substantial part of the evening. Afterwards we will do something light hearted like playing Beetle at which we can all make a great of noise and have a hilarious time.

Bird News

Bryan Thompson has been busy spotting rings on Gulls' legs during his visits to Weston seafront. He started with a Herring Gull that was ringed at Secret World after it had been rehabilitated and released by them three years ago. He then found a couple of Black Headed Gulls which, being smaller birds, carry smaller rings that he was unable to read. Fortunately a chap walking past had binoculars and a packet of crisps (Salt & Vinegar) which were deployed to tempt the bird a bit nearer! This bird was ringed at the huge landfill site at Pitsea in Essex and the second Black Headed Gull had been ringed in Berkshire. As Peter Rock the gull expert says ' Gulls legs are pretty interesting'!

Kenn Moor has quietened down bird wise since last month but a few Stonechats have arrived and I was delighted to see an Otter on Blackditch, my first locally in 35 years. A Kingfisher was also reported there, another was along Wemberham Lane and I received reports of one near Staddon's former premises in Clevedon and one at a garden pond in the middle of Yatton!

There were 15, Wheatears and 150 Meadow Pipits along the sea wall early in the month but a fortnight later they had moved on, the Wheatears heading for their wintering grounds in Africa and the pipits to grassland areas in the UK or Europe. The easterly winds brought an early flock of 25 Redwings to Congresbury Moor on the 10th and by then Skylarks were heading over on passage giving their musical contact calls. They can often be heard on fine mornings until mid November.

Finally, John Croxton has had two Grey Wagtails in his garden and a Fieldfare over on the 19th.

Trevor Riddle. 01934 835208.

Meeting place.

'Meeting Place' is a regular slot on the second Thursday of the month. We meet in 'The New Room' at the top of Kenn Street, starting at 11.00am and lasts for up to an hour.

The next group will be on Thursday 10th November 2016 at 11.00am.

The aim is for mothers or carers with very young children to meet each other, have coffee and a chat. Hence the name 'Meeting Place.' The women exchange news, the children play and we are in the background making coffee.

If you are at home with a small child you are very welcome to join us.

P.S. We are very clear this is not Church by the backdoor. Rather a venue for friendship and meeting people.

Julia 873554. Caroline 343133

Kenn Bat News

Yacwag's Anabat bat detector has been used to make an informal check of Bat species in the village. Over a period of two weeks in September three locations were used; one in Kenn Street (one night only), one in Duck Lane (five nights) and one on Nailsea Wall (five nights).

The results were :-

Kenn Street: Greater Horseshoe, Common & Soprano Pipistrelles, Noctules and Serotines.

Duck Lane: Greater and Lesser Horseshoe, lots of Common Pipistrelles including the first local recording of 'singing' to attract mates, Soprano Pipistrelles, Serotines, Noctules and a Brown long-eared Bat.

Nailsea Wall : The Anabat detector was sited in the garden of Wild Orchard and this proved to be a real hot-spot! There were 14 passes of Greater Horseshoe, one pass of Lesser Horseshoe, a Nathusius on three consecutive nights. Lots of Myotis species including a likely Daubenton's. Plus Common & Soprano Pipistrelles, lots of Serotine and Noctules plus a possible Brown long-eared Bat!

Summary: in this short monitoring period over 50% of all UK species were recorded and all the data will be submitted to the BRERC website and the Horseshoe records onto a specialist research map.

Many thanks to Irene Mills of Yacwag for advice and for downloading and reporting the findings.

Kenn Village Hall

We recently had a very positive and friendly Committee and AGM Meeting with just one piece of sad news, our Treasurer, Irene Stowell, has decided to retire. Irene has been our Treasurer since the 28 April 1992 – 24 years and for a long time before that Irene was our Assistant Treasurer.

She has always been a very diligent and efficient Treasurer faithfully looking after our accounts and ensuring that they were always in good order and presented to our Auditor each year.

Irene was sincerely thanked by the Committee for all that she has done over the years for the Hall and the community. We will miss her guidance and knowledge relating to the Hall but, hope that she will continue to be a valued Committee member.

The good news is that the hall has been a very popular venue for lots of events and our new Booking Secretaries, Lyn and Nigel Burnett, were able to report that they have had a busy time since taking over from Sarah in the New Year.

On average the Hall is used twice a week and this year seems to have been the “Year of the Wedding” with six taking place between May and September – which Lyn and Nigel dealt with brilliantly.

As you can appreciate some of the larger events take a lot of organisation for the hirer as well as a lot of “behind the scenes” work for the Booking Secretaries and Committee members. The day-to-day running of the Hall is carried out by the Committee members and this is all done voluntarily. It is always welcoming to hear from hirers that all our efforts are appreciated and that the Hall is treated with the respect it deserves.

Due to all these bookings we are now in funds to proceed with some larger projects – the floor is going to be repaired where needed, sanded and varnished and we are also going to put a new door from the storage/disabled cloakroom area leading on to the patio, to enable easier and safer access from the kitchen to outside, without having to go through the hall.

We are very proud of our Village Hall and it is a wonderful to see it being enjoyed by lots of people within the Village and outside.

Kenn Village Hall - A HUGE thank you to the Ann, Sarah Marianna, Jan and Lyn who had a good de-clutter at the Village Hall recently - lots went to Charity Shops, some to the Recycling Collection on 29th October. Brilliant.

Church Deep Clean - A group of dedicated men arrived on Monday 3rd October to remove the cobwebs, brush the ceilings and clear the loose items — next day, after the dust had settled the ladies appeared and by mid afternoon our lovely church was spick and span. Many thanks to everyone who helped.

Kenn Supper Club

Happy Birthday Kenn Supper Club.

The next Supper Club will be an anniversary. The popular village event, held on the third Wednesday of the month will be one year old. We have enjoyed good food, company and conversation now for twelve months. News and gossip is exchanged, plans are hatched and life stories shared. There is usually a 'well I never knew that' or a 'well I never thought of that'. The other bonus is one less meal to cook, what is not to like?

Thank you John and Grace for organising this for us.

The next Supper club will be on Wednesday 16th November at 7.00 for 7.30pm. Everyone is welcome.

If you want you can then stay on for the pub quiz.
It would be helpful if Mike had some idea of how many diners to expect.

Please contact John and Grace Griffin. Tel 872948.

Christmas Lights and Carol Singing Friday 9th December

Please join us on the village green for this annual event. At 7pm exactly we will switch on Kenn's Christmas Tree lights marking the start of our Christmas celebrations. We will then retire to Church Path Cottage to sing our favourite carols whilst supping on mulled wine and mince pies.

This free event is always great fun and a lovely way to get into the Christmas spirit. So do join us on FRIDAY 9th December by the Christmas tree on the village green.

ASIAN HORNET (*Vespa Velutina*)

This non-native hornet from Asia is a highly aggressive predator of native insects, posing a significant threat to honey bees and other pollinators.

There has been a sighting in the northern Mendips.

If you see one next spring it should be reported IMMEDIATELY to alertnonnative@ceh.ac.uk.

What to look out for

Vespa velutina queens are up to 3 cm in length; workers up to 25 mm (slightly smaller than the native European hornet *Vespa crabro*)

Entirely dark brown or black velvety body, bordered with a fine yellow band

Only one band on the abdomen: 4th abdominal segment almost entirely yellow/orange

Legs brown with yellow ends

Head black with an orange-yellow face

KENN PARISH COUNCIL

Chairman's chat

Not too much to report as we have a meeting Tuesday 1st November, all welcome.

We will have had the recycle event by the time we go to press. The recycling and Everyone Active Gym event was not very well supported but those that came learnt a lot from both parties and went away with lots of freebies. It was very well thought out and interesting.

We have sent our thoughts in on the St Modwen application and at the time of writing not had any further information as to what is happening

The Christmas tree and its lights and lightening up evening are already dealt with, its always a great sight to behold, love coming in and out of the village when the tree is lit.

Everyone Active has been at its new home a year now, and to this end is hosting a birthday party on Friday 11th November from 7-11pm

On the night there will be a hog roast, disco and cash bar, mention that you live in the Village and there will be no charge for a ticket (£3 usually) donations are accepted and all monies will go to the Anthony Nolan Trust, their company charity.

Email noelhickman@everyoneactive.com to book a place. All welcome.

Noel and his team are very proactive locally, and are always pleased to come and spread the word about health and keeping active, an asset to our community, be great if villagers popped in.

Hope to see folk on Tuesday

Cheers for now

Sheila
